Physical Therapist Opening

Closing Date: Open Until Filled

Job Description: NCLRC is looking for a Physical Therapist (PT) for the 2024-2025 school year, working for the special education cooperative serving the rural Cascade County schools. This part-time in-person position serving grades EK-12 requires travel to our member districts to serve students with physical therapy needs. The school-based PT addresses a student's educational needs to enable the student to succeed in the educational environment.

Qualifications: Must hold a valid Physical Therapist license in the state of Montana, possess strong interpersonal skills, attention to detail, and patient care, knowledge of therapeutic exercises and rehabilitation techniques, basic computer skills, and an ability to work independently and with a team.

Certifications: Valid Montana driver's license.

Salary and Benefits: Salary and benefits are based on our current Negotiated Agreement and salary matrix, and travel is reimbursed based on the current IRS rate of 67 cents per mile.

Contact Person: Jenny Reeves, Cooperative Director at jenny.reeves@nclearning.org

Required application materials include: a completed online application, letter of interest, resume, and high school diploma/college transcripts

Online application is available at: <http://nclearning.org>
