Speech-Language Pathologist Opening

Closing Date: Open Until Filled

Job Description: NCLRC is looking for a Speech-Language Pathologist for the 2023-2024 school year, working for the special education cooperative serving the rural Cascade County schools. The job of the Speech-Language Pathologist provides speech and language screening services to eligible children in member school districts and provides comprehensive speech and language evaluations to eligible children upon referral. Has knowledge of, and adheres to, Federal and State laws and rules and regulations pertaining to students with disabilities. Assists in the development of Evaluation Teams (Evals) and Individual Educational Plan (IEP) for identified handicapped students. Demonstrated ability to work well with other professionals, parents and students.

Qualifications: As set by State Certification and Licensure Board.

Certifications: Valid Montana driver's license.

Salary and Benefits: Starting salary is dependent on experience; benefits are included.

Contact Person: Jenny Reeves, Cooperative Director at jenny.reeves@nclearning.org

Required application materials include: a completed online application, letter of interest, resume, and high school diploma/college transcripts

Online application is available at: <http://nclearning.org>
